*Credit will be given to students who have completed MTH 151 (or equivalent) or higher prior to the deadline or who have placed out of these MTE units on the VPT or mat requirement by Multiple Measures Placement.

**Credit will be given to students who have completed college-level English or who have placed out of these ENF units on the VPT or MM Placement. All required ENF courses must be completed before the deadline so the student is ready to enter ENG 111; however, ENG 111 does not have to be completed prior to the application deadline. Only current VPT (Virginia Placement Test) or Multiple Measures Placement for Math and English will be considered. Students who have successfully completed equivalent college-level Math and/or English coursework or who have submitted qualifying official GED, ACT, SAT, or AP scores for Math and/or English will be exempt from taking the respective VPT test(s). All other students (including those who have taken older versions of the Placement tests but who have not yet placed into or completed college-level Math or English) will be required to take the VPT. If the student places into MTE units 1, 2, 3, 4 and/or 5 and/or ENF units 1, 2, or 3, these courses will have to be completed by the deadline.

1 LPN transcript
2 Current LPN license OR proof of registration to take NCLEX exam
3 BIO 141, BIO 142, and 80% of general education courses (BIO 150, PSY 230, SDV 101/SDV 10q ENG 111, and Humanities elective (PHI 220) completed by application deadline.
